Pahokee Baptists Install Officers For Ensuing Year

A most impressive installation service concerning the officers, teachers and leaders of the First Baptist Church of Pahokee, for the ensuing year, was conducted Monday night in Fellowship Hall. The program "Reflections From A Mirror" was directed by Mrs. W. M. Dubose. Rev. C. A. Moberg, pastor, was the installing officer.

A large mirror, mounted on a stand, reflected each group as in order each stood in place to receive the charge. The trio, Miss Peggy Ann Moberg, the Mesdames Ralph Grimes and C. A. Moberg closed the service with singing of "Jesus Revealed In Me" as the mirror was covered with a picture of Christ, the group singing "Where He Leads Me I Will Follow." A covered dish supper preceded the installation.

The church roster of officers includes: Sunday School Superintendent, O. O. Gilbert; Asst. James Harry Wilkinson. Secretary, F. G. Gillis; Asst., Mrs. S. E. Gammage. Teachers: Cradle Roll, the Mesdames E. Keen, Supt., F. G. Gillis, J. Thompson and Mrs. Tony Libhart. Beginner Dept.: Supt.—Mrs. J. H. Wilkinson, teacher Mrs. W. H. Jones. Primary Supt.—Mrs. Bob Douthitt, teachers the Mesdames W. A. Stevens, O. Segree, H. Barnes, A. C. Santo and Miss Nina Briggs. Junior Supt. Miss Clark Hull, teachers the Mesdames (Continued On Page 3)

Council Discusses Equipment Need

The need of new equipment for the street department was discussed by the Pahokee City Council at a meeting in the city hall Tuesday night. The immediate purchase of two new trucks was decided upon and Clerk W. P. Walker was authorized to advertise for bids. Marvin Cowart was authorized to purchase 600 feet of new pipe, also for the street department.

New Dry Cleaning Plant In Canal Point

H. G. Davidson of Belle Glade is preparing to open a dry cleaning plant at the packing house center in Canal Point. The plant will be located in the building formerly used as Pickard's Cafe, across the street from Sam Chastain's packing house. The Canal Point dry cleaning plant will have two presses and the latest modern equipment. Davidson expects to be ready to start operating his plant the first of next week. He plans to move his family to Canal Point as soon as he is able to find living quarters. His son, Earl Davidson, will assist him at the plant.

Mr. and Mrs. B. Elliott will spend the weekend in St. Petersburg where they will visit their son, Elmer B. Elliott, a student at Florida Military Academy.

Mr. and Mrs. C. B. Starling were guests of Mr. and Mrs. D. E. Killoren in Clewiston last weekend.

Diamond Ball Loop Being Organized For Glades Section

A diamond ball-league is being organized in Pahokee and Canal Point with one team to be entered from Belle Glade, it was announced yesterday by officials of the league in charge of organization. The Florida Power and Light company will have a team, the Bryant plantation of the sugar company will furnish one and two will be organized in Pahokee.

Folks in the Pahokee area who are interested in playing diamond ball are urged to get in touch with Dorsey Pugh or Rupert Mock. Lights have been erected on Bateman field on Bacom Point road and all games will be played at night. It is hoped that teams can be organized in time to get the games under way by next week.

NEW ROAD SIGNS

State Road Department workmen are erecting new state highway road signs from Okeechobee to Belle Glade, making State Roads 104 and 143 a continuous highway with a new number, "15." The new signs are larger and more attractive than the old ones, having a white background on which is painted an outline map of the State of Florida in black and the road numerals also in black and large enough to be read in a glance.

Golden Rams Lose Opener To Wildcats

A spirited Palm Beach High eleven capitalized on speed and precision to run over Belle Glade High, 12 to 0, before a record season opening crowd of 5,000 at Anderson Field Friday night.

With an offensive geared to scoring drives for touchdowns in the first and third periods, the Wildcats combined a defense that stopped the more experienced Golden Rams completely and the invaders never made a serious scoring threat.

It was a more impressive opening than even the Wildcat coaches had expected, and although the young gridders didn't demonstrate terrific power, they showed a good variety of offensive maneuvers with pony backs in action.

The Wildcats used an assortment of substitutes after that and all of them performed credibly, with the scat backs having the help of a line that played good ball from end to end.

Belle Glade's only ground gaining of the evening came in the closing quarter with Harrell and Billy Bearden powering into Wildcat territory briefly.

The Pahokee Gospel Singing Quartet, composed of Reppard Cowart, B. W. Wood, Gene Butler and Dr. D. S. Spooner, were guest singers on the program at the Baptist singing convention held in West Palm Beach Sunday.

Mr. and Mrs. B. A. McCown, Orlando, were business visitors here on Tuesday of this week.

Blue Devils Win Opener From Ponce Close Score 14-13

The Pahokee Blue Devils started their season off with a bang Wednesday night by defeating the highly touted Ponce de Leon Cavaliers, 14-13, in the Miami Orange Bowl.

The Blue Devils started their first scoring drive in the second quarter when Quarterback Wilbur Geiger intercepted a Ponce pass on his own 18 and returned it to the Pahokee 44. Halfback Rodney Connell, behind good interference, then ran the ball to the Ponce 40 and a few plays later he sprinted to the Ponce 3 from where fullback Thomas Jackson plunged across for the first touchdown, with Geiger kicking the extra point. A few minutes later Tackle Milton Salvatore intercepted a pass on the Ponce 43 and raced down the field for Pahokee's second touchdown. Again Geiger's educated toe came through for the extra point which later proved to be the margin necessary for the Blue Devil victory.

The Cavaliers made one touchdown in the last part of the second period and another in the closing minutes of the game but Westcott's kick failed to convert the extra point after the first touchdown which was made by Quarterback Bill Powers after receiving a lateral from McDonald on his own 8.

It was a hard-fought and exciting (Continued On Page 3)

Advice To The GI's

Failure of about 10,000,000 war veterans, all former policy holders of GI insurance, thus far to reinstate their policies difficult to understand except on the ground that they simply do not know what they are giving up. According to General Omar N. Bradley, VA administrator, the veterans in effect "are kicking around an estimated \$90,000,000,000 in economic security."

The veterans are now required to pay only two premiums or monthly payments in order to have their policies fully reinstated. This insurance is available at extremely low rates. It may be taken in the form of endowment policies, payable at 60 or 65.

There have been some recent changes, and payments in the event of death now may be made either in installment or lump sum. Furthermore, in the event that an insured veteran becomes disabled the government policy will pay \$5 a month for each \$1,000 insurance as long as the disability exists, and payments of this nature are not subtracted from the full face value of the policy.

The Times urges war veterans in this territory to examine their opportunities under this liberal government insurance plan.—Chattanooga Times.

Tax Troubles

Other cities in Florida are having their woes in their desperate effort to raise enough money to maintain and improve their services to rapidly growing populations. Strapped by the \$5,000 homestead exemption, the cities have had to cast about for other sources of taxation, or for revenue producing operations.

The city of Miami has proposed graduated taxes on utilities, and cigarettes. The usual citizens committee have suddenly appeared, storming city hall with loud shouts of protest. The usual check on petitioners has indicated that most of them pay no property taxes, that many are not even registered voters, and that only a few contribute anything to the servicing of the city's bonded indebtedness.

It is a ten to one shot that many of these persons would howl even louder if any essential service were curtailed. And by now, you can make any comparisons you want with what has been going on over at St. Petersburg's city hall during the past week or so.

It's a funny world; and human nature doesn't vary much, does it?—St. Petersburg Independent.

Fire Levels Dry Cleaning Plant

A raging, spectacular fire leveled Kolstad's dry cleaning and holstering plant, known as Quality Cleaners, to ashes around 6:30 p. m. Tuesday within 15 minutes after a small blaze was discovered in the cleaning department by Mrs. C. A. Kolstad, proprietor, as she was preparing to close down the plant for the day. The fire spread so rapidly that Mrs. Kolstad and her employees were able to save only a small armful of clothing as they rushed for safety from the flaming building, otherwise the building and contents were a total loss.

The two-story structure was formerly used as an office building for the Bivans Lumber Company and the adjoining lumber sheds, though empty, were also destroyed. A brisk east wind carried most of the heat away from the Pahokee Methodist Church building on the lot adjoining east but the two-story rooming house on the adjoining west lot really got a baking and was saved partly through the efforts of the firemen and partly because it was protected with asbestos shingle siding. Fire Chief Marvin Levins and his volunteer firemen responded promptly to the call and for a time poured the output of three hydrants into the flames and on to nearby threatened buildings. The loss was only partly covered by insurance, according to Mrs. Kolstad.

Youngsters Enjoy Party And Hay Ride

Members of the Intermediate Youth Fellowship group of the Pahokee Methodist Church enjoyed an outdoor party and hay ride to St. Lucie Canal near Port Mayaca Saturday night. Mrs. R. F. Hurt, counselor for the group, and Mr. Hurt were in charge of party arrangements and acted as hosts.

Those attending were Myra Lee Cruthirds, Joy Ann Haidid, Bobby Mackey, Dale Maxwell, Bobby Schroder, Rita Fay nad Anna Lee Hurt, Jack Thomas, Zella Jones, Marian Ann Howes, George and Jimmy Rozelle, Linda Cruthirds, Chandler McIlwain, Patsy Elliott, Louise Hatten, Dorothy Fields, Ronnie May, Charles McCurdy, Donna Jo Spooner, Buddy Peeples, Joyce Lynn and Alice Elaine Hyrt.

MEN'S BIBLE CLASS

Announcement of a fish fry in the near future was the glad news received last Sunday at the session of the Pahokee's Men's Bible Class. C. R. "Bud" Wroten and his "Knights of the Neptune" will be in charge of the arrangements. This time the ladies' will be the honored guests. This Sunday the Class Quartet, Messrs. Spooner, Cowart, Wood, Butler and Grimes (alternate) will present its usual splendid program. The teacher, Rev. C. A. Moberg will discuss the lesson. A most cordial invitation is extended to all unaffiliated men and visitors to attend this Sunday 9:45 A. M.

Hicks Family Moves To Belle Glade Camp

Mr. and Mrs. Julian P. Hicks are moving this week end from the Canal Point Migratory camp to Okeechobee Camp at Belle Glade where Mr. Hicks takes over management succeeding H. O. Barwood, who becomes Belle Glade's first city manager.

Mr. Hicks has been with the federal government for many years and came to the Canal Point camp from Atlanta. He has been manager of the local camp for three years. Mr. Hicks will be succeeded by Joseph Payne. The many friends of the Hicks family will regret to lose them from the Canal Point community.

Phone Traffic Increase In Glades

In Belle Glade the volume of local and long distance telephone calls has increased substantially. Long distance calls through the Belle Glade office during the peak month of 1946 totalled 26,258 or 255 percent over peak month of 1945, and 436 percent over peak month of 1940. Belle Glade exchange handles all long distance calls originating in Pahokee, Canal Point, South Bay and Lake Harbor and these percentages are made up from calls originating in all of the various towns.

In Belle Glade, local calls average about 2,641 daily at present, a 42 percent increase over the daily total in the comparable period of 1945, and 60 percent over the total for this period in 1940.

At present, Belle Glade has 518 telephones, an increase of 215 percent over the number in service 10 years ago. Since Pearl Harbor, approximately 200 telephones have been added to those in service, despite continuing material shortages. About 149 persons are waiting for service in Belle Glade.

More Classroom Space For Church

With attendance at the Pahokee Methodist Church school averaging nearly 50 per cent greater than last year, the executive board is being forced to make provisions for additional classroom space to take care of the needs of the rapidly expanding Sunday school.

As a temporary measure the board is negotiating for the purchase of a 24 by 50 foot prefabricated building to be erected in the park at the lake side of the church grounds. It is planned to partition this building into three classrooms. In addition to the new Men's Bible Class, several other new classes will be organized on rally day in October, according to T. L. Burns, school superintendent.

Ordination Service Of Baptist Deacons

A most impressive ordination service was conducted Tuesday night at the First Baptist Church of Pahokee. Messrs. H. L. Jaudon, F. G. Gillis and C. A. Batchelor received the right hand of fellowship as newly ordained deacons. The examining group included the Rev. I. E. Enlow, pastor of the First Baptist Church of Belle Glade and deacons J. K. Keen, H. L. Speer, W. Tillis, O. O. Gilbert, W. V. Unwin, deacons of Pahokee.

The scripture lesson was presented by the pastor, Rev. C. A. Moberg as found in Acts 6:1-7. The charge to the deacons was delivered by Rev. Enlow, followed by the charge to the church by the Rev. Floyd Creasy, pastor of the First Baptist Church of Clewiston. The service closed with the conducting of the "laying on of hands" by Rev. Creasy and Enlow and the group.

Ronnie Elliott, who was stricken with polio several weeks ago, is expected to return to his home here Monday from a West Palm Beach hospital where he has been receiving treatment. Ronnie is reported to be completely cured but from time to time will return to the hospital for a periodic check-up and massages.

Branch - Stokes

Miss Margie Ruth Stokes, daughter of Mr. and Mrs. Roscoe Stokes of Bryant, became the bride of Julian Franklin Branch, son of Mrs. Kate Branch, and the late Frank Branch of Canal Point, at the home of the bride's parents at 6 P. M. Friday, Sept. 20th.

The Rev. Carl A. Moberg, pastor of the Pahokee Baptist church performed the double ring ceremony before the family fireplace which was banked with pink roses, white tuberose, and fern, and flanked with potted palms which formed the background. Two candelabra illuminated each side of the fireplace.

Preceding the ceremony Mrs. C. A. Moberg sang "Always" and "I Love You Truly" accompanied at

the piano by her daughter, Miss Peggy Moberg who also played a solo and the traditioned wedding marches.

The bride, given in marriage by her father, wore a white street length crepe dress with scroll embroidery, and a matching half-hat to which was attached a finger-tip veil. She wore a corsage of purple orchids and carried a white prayer book with white satin streamers and centered with white gardenias.

Mrs. V. D. Horne, sister of the bride and matron of honor, wore a blue crepe suit, and a flower half-hat. Her corsage was of white gardenias. The bride's mother wore a navy blue crepe frock with white accessories and a corsage of tinted tuberose and pink roses. The groom's mother wore a navy blue sheer frock with blue accessories and a corsage of tinted tuberose and pink roses.

Hilburn Murphy, friend of the groom was best man.

Out of town guests included the bridegroom's sister, Mrs. Linder Cook, Edgar Johnson, and J. W. Clarke, all of Clewiston.

The bride is a graduate of Pahokee High School and before her marriage was employed as a payroll clerk with the United States Sugar Corp. at Bryant.

Mr. Branch received his education at Dublin, Ga. High School. He served three years in the Army 18 months of which were in England. He is now associated with the Home Town Bakery in Pahokee.

The couple are spending their honeymoon at Ft. Myers Beach and plan to make their home in Canal Point.

Mr. B. T. Vorhees of Canal Point made moving pictures of the wedding ceremony and the films will be presented to the couple as a wedding gift upon their return from Ft. Myers.

Mrs. Mabel Thompson has returned from a visit with friends in Key West.

VPO Group Will Re-Organize Monday

At a meeting of the local VPO in the city hall Monday night the group decided, for the good of the organization, to completely reorganize at a special meeting to be held in the city hall Monday, Sept. 30, at 7:30 p. m. Pahokee is the birthplace of VPO with local veterans starting from scratch last April in drawing up the original constitution and bylaws which since have been endorsed by other VPO units that have been organized in the State. In the process of organizing, other VPO groups have improved on the original constitution and bylaws to such an extent that the local VPO wishes to incorporate these improvements at the reorganization meeting so that it will continue to stand out as the leading VPO in the State.

The first step in reorganizing will be to change the name from Veterans Progressive Organization to Veterans Political Organization inasmuch as its aims are primarily of a political nature and it appropriate to be called a political organization. A complete re-election of officers by ballot will be held at the Sept. 30 meeting.

At the Monday night session I. J. Frasure, Jr., Kenny Mock and Melvin Spooner were named on a

membership committee to get as many veterans as possible in the Pahokee-Canal Point area to attend the reorganization meeting. Roy O'Neal and Melvin Spooner were asked to serve on a publicity committee. James Harry Wilkins, son, entertainment committee chairman, gave a report on plans for various types of entertainment for the coming year. Paul Collier reported on the work of the ways and means and the publicity committees.

It was announced that a Veterans Political Organization for Palm Beach County is being organized under the leadership of James Nemec, World War II veteran and West Palm Beach attorney. It was also announced that the VPO State Convention, scheduled to be held in Hialeah Sept. 23-24, has been postponed for a few weeks upon request by veterans throughout the State so that they will have an opportunity to start over local VPO units before the state convention is held. A Dade County VPO has been organized and veterans of several South Florida towns are in the process of organizing VPO units, according to W. H. Hamilton, president of the Hialeah VPO and convention chairman. From all points in the State come reports of organization meetings and the rapid expansion of the Pahokee-born VPO.

Lions Discuss New Proposed Highway

The location of a new proposed federal-state trunk highway along the east shore of Lake Okechobee linking State Road 26 at the south with Connors Highway, newly designated as State Road 15, at the north was again the chief topic for discussion at the Tuesday luncheon meeting of the Pahokee Lions Club. The Lions turned thumbs down on the 10-man committee report submitted last week which would have the highway run either a half mile or a mile and a half east of both Pahokee and Belle Glade and recommended instead that it be routed directly through both Pahokee and Belle Glade and connect with Road 26 approximately nine and a half miles south of Belle Glade.

It was announced that construction on the swimming pool in the city park cannot start until the plans are received from William Manly King, West Palm Beach architect. Season tickets for the Pahokee Blue Devils' home football games were distributed to the Lions by Lewell Garrison, assistant coach.

Mrs. Shive Honored By Circle Membership

Mrs. C. A. Shive was nominated to receive a WSCS life membership by members of the Simonson-Lafr Circle, Pahokee Methodist Woman's Society of Christian Service, at the last meeting of the fall season held Monday afternoon at the home of Mrs. R. J. Simonson. The presentation of the life membership will be made in October.

The circle made plans to sponsor a silver tea in the near future, proceeds to be turned over to the Gertrude Shirley Circle, winner of a recent mission study presentation contest. Plans for a Halloween party and bazaar are also discussed.

Mrs. William McClenithan, Mrs. Arch Blakey, Mrs. R. J. Schroder and Mrs. O. D. Carpenter enrolled in a special mission study class to be held on Oct. 4 in four classroom sessions of one and a half hours each.

Mrs. Schroder presented a program on "Methodists in the Country," with Mrs. Carpenter and Mrs. McClenithan taking part. Mrs. Duncan Padgett and Mrs. Carpenter sang a vocal duet, ac-

companied by Mrs. McClenithan, pianist, and Mrs. Sanders, violinist. Mrs. Blakey was in charge of the devotionals. Mrs. Frank Friend, Mrs. Robert Simonson and Mrs. R. W. Sanders were visitors.

Recent Bride Guest Of Honor At Party

Mrs. A. C. Spooner, Mrs. R. S. Todd and Mrs. E. L. Davis entertained at the Pahokee Woman's Club Friday night with a party and bride's shower in compliment to Mrs. Lawrence Dany, who was Miss Hazel Todd before her recent marriage in West Palm Beach.

Gladioli, fern and palms were used in the party decorations which followed a color scheme of pink and green. The serving table was covered with a white lace tablecloth and lighted with tapers. It had as a centerpiece a three-tiered wedding cake topped with a miniature bride and groom.

Mrs. Byron Todd, Mrs. Willis Kemp and Mrs. C. R. Moore won contest prizes. Mrs. Roland Todd and Mrs. Alie Mae Watson assisted Mrs. Dany in the display of gifts.

Refreshments of cake and ice cream were served by the hostesses.

VPO Group Received Charter Wednesday

The Veterans Political Organization was granted a charter at the courthouse in Miami on Wednesday of this week, according to word received here by Claude S. Jones. The first and original VPO unit was organized by Pahokee Canal Point veterans last April and since then has become one of the most rapidly expanding veterans organization in the State.

Here Is the Latest News about Chevrolet Deliveries

Everybody from factory to dealer is doing everything
that can be done to speed deliveries to you

We have been informed by the Chevrolet Motor Division that the past month has witnessed only a slight improvement in the rate of production of new Chevrolet passenger cars. As a result, shipments of new cars to dealers for delivery are still far below the level we and the factory had hoped to attain by this time. In fact, through August, Chevrolet's output of cars in 1946 was only 22.6% of the number turned out during the corresponding period of 1941.

We know that Chevrolet is doing everything possible to step up its production totals—to ship more and more cars to us and to its thousands of other dealers throughout America . . . and we know, too, that we are assured of getting our full proportionate share of the current output and of future production gains.

Disappointing as the total figures have been—and despite the fact that Chevrolet was out of production entirely during the first three months of the year—it is nevertheless true that Chevrolet led all other manufacturers in production of passenger cars during June 1946, and has continued to maintain its lead in total production from that day to this.

We shall continue to make deliveries of new Chevrolets to our customers just as fast as we receive them; we regret delays as deeply as you do; we thank you for your friendly patience and understanding; and we promise you a new high motoring experience when you take delivery of your new Chevrolet, giving BIG-CAR QUALITY AT LOWEST COST!

Keep Your Present Car Alive

Meanwhile, may we suggest that you safeguard your transportation by bringing your car to us for service now and at regular intervals. Let us help you to keep it in good running condition—to maintain its performance, appearance and resale value—until the day when your new Chevrolet comes along.

Blue Devils Win—

(Continued From Page 1)
ing game in which the greatly outweighed Blue Devils formed an amazing defense wall that stopped most of the Cavaliers' charges stone cold. Following its 19 to 0 win over Lake Worth last week, Ponce was hailed as leading contender for the Gulf Stream Conference championship. Before the playing started Wednesday night the game was already in the bag so far as Miami sport writers were concerned. Woody Thompson of the Herald said, "The Cavaliers will carry a considerable weight advantage in the forward wall and will rule a heavy favorite to score their second straight victory in a decisive fashion."

The Blue Devils play their first home game next Friday night when they meet Miami Technical High School on Lair Field.

Julian Chandler Home From Hospital

Julian Chandler, proprietor of Chandler's Sundry store in Pahokee, is home after spending the past seven weeks in various hospitals where he has been undergoing treatment for one of his eyes. He returned this week from Jackson Memorial in Miami where an operation was performed several weeks ago. The operation was a success and this week the bandage is to be taken off for the first time to see if results of the operation are as expected. Before going to the Miami hospital Mr. Chandler was in the north where he submitted to treatment at some of the larger hospitals and clinics. His return to the store this week was greeted by many friends who were glad to see him back home.

CHURCH SERVICES

At the morning hour of eleven, Sunday at the First Baptist Church of Pahokee, the pastor will preach on "Cast Thy Burden Upon The Lord." The Ladies Quartet will sing. At the evening hour of 8:30, the pastor will speak on "Render Unto Caesar - Render Unto God." The musical family of choir, orchestra and quartet will augment the "Illuminated Cross Meditation." Sunday School at 9:45, Training Union at 7:30.

SET YOUR SIGHTS

It takes
planning
to achieve
a goal

Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both.

Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents.

If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

1. Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
4. A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers.
5. Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
6. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
7. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

Methodist Church Canal Point Plans Coming Services

The Canal Point Methodist Church announces the following schedule of services in accordance with the change of time:

Sunday School (N. V. Maxson, Superintendent) 10 A. M. EST.

Morning Worship, 11 A. M. EST.
Evening Service, 7:30 P. M. EST.
The sermon by the Rev. William T. Blair in the morning worship service will be "On 'Being as Christian as We Really Are' from the text in the epistle of Paul to the Romans, 'For I am not ashamed of the gospel of Christ: for it is the power of salvation to every one that believeth'" (Rom. 1:16).

The evening service will be in preparation for the month of October in which we shall examine to gether, in our evening services, our fundamental Christian beliefs. In these hours of devotion we shall seek the answers to the vital questions that many people are asking these days: "What does Christianity mean to us today?", "Why should I be a Christian?", and "How do I go about that task?" Sermon topics for the month will be announced next week. They shall be in everyday language and the pastor invites all questions on this subject. The sermon for this Sunday evening will be "I Believe".

Sunday, October 6, is World-Wide Communion Sunday to which all people who desire to join in the Sacrament of the Lord's Supper are invited, regardless of whether or not they are church members. This is the day in which all Christians around the world join their hearts as they kneel at the altar and partake of Communion while we pray for peace and righteousness throughout the world. The minister plans to call on all members and friends of the Methodist Church to invite them personally to this service. It marks the end of the year of Evangelism in the Crusade for Christ of the Methodist Church in which the goal of one million new members was set. In our local church, we are well over our quota, and in the nation as a whole we are within a few thousand of the million mark. Therefore, we are asking all members and friends to join with us at this time in our prayers of thanksgiving and reconsecration.

Dr. H. W. Blackburn, Superintendent of the Miami District, was the guest Saturday and Sunday of the minister and Mrs. Blair. He gave the sermon in the Morning Worship Service, speaking on Christian Stewardship, and held the First Quarterly Conference of the local church in the afternoon. Mr. and Mrs. Blair wish to thank all of their friends for their gracious spirit of love and service during their absence. Mr. Blair is feeling very well after his operation in Chicago, and they are both very happy to be home in Canal Point once more.

The Woman's Society of Christian Service will meet at the home of Mrs. Frank Wilson on Tuesday, October 1 at 2 P. M.

The Methodist Youth Fellowship will meet in the parsonage on Monday, Sept. 30 at 7:30. At that time we will set our new time of meeting so that there will be no conflict now that school has resumed. It is important that all young people be present to give their views. The next weekly meeting will be at the new time. We shall also plan our Installation Service for Officers of the Fellowship at this time.

The Junior Fellowship, for boys and girls from 8 to 12, will be organized in Sunday School next Sunday. The meeting time will be after school and the minister will furnish transportation home for all boys and girls who ride the bus.

Myers Fountain spent Sunday in Tampa visiting his wife, Mrs. Catherine Rice Fountain, who is receiving treatment at the Municipal Hospital and is reported to be improving nicely.

B. Elliott Speaks To Woman's Club

State Representative B. Elliott spoke on "Proposed Legislation" at the first social-program meeting of the Pahokee Woman's Club held Tuesday night in the clubhouse. The guest speaker was introduced by Mrs. Dave W. Cunningham,

chairman of the legislation committee, who was in charge of the program.

Mrs. Minnie L. Hughes and Mrs. Becky Starling of the American Veterans committee acted as hostesses in the serving of refreshments during the social hour. The next meeting of the club, a business session, will be on Oct. 8.

Going Fishing? Here's How!

To hear Willie Wells and Basil Strube arguing about trout fishing, you'd think it was more important than the atom bomb.

Willie favors dry flies, Basil pooh-poohs anything but wet flies. Willie swears by a Royal Coachman; Basil won't hear of anything but a Silver Doctor. And by the time it comes to steel rods versus bamboo rods... #1X&*!!

But on Saturday, each got back from Seward's creek with a catch that couldn't have differed by more than several ounces!

Each had used his favorite kind of fly, his favorite rod and his favorite place to cast. So over a friendly glass of beer, they allowed as how maybe they were both right... which is how so many arguments should end.

From where I sit, if we all respected one another's different opinions—whether about trout flies, or drinking beer, or voting, life would be a whole lot pleasanter.

IT'S BASIC

Adequate Service

Depends on Adequate Earnings

Your Telephone Company is doing the largest volume of business in its history, yet telephone earnings continue to go down rapidly. The reason is perfectly clear. While your telephone rate has remained the same for many years, the costs of furnishing you service have increased. Wages, building costs, telephone materials, services, all have been going up so fast that—

The amount of money Paid Out to provide service is increasing faster than the amount Taken In. Actually telephone earnings today are the lowest in our history!

It is basic with any business that good service depends on reasonable earnings. To render good telephone service and to continually improve and expand it, reasonable telephone earnings are essential.

1 The amount of money Paid Out to provide telephone service is increasing faster than the amount Taken In.

2 Telephone earnings are the lowest in history.

3 Reasonable telephone earnings are essential to good telephone service.

Our public duty demands that we give you these facts.

Cinematic Chatter

By Malcolm Miller

In my opinion the picture to be screened at the Prince Theatre, Sunday-Monday, September 29-30, is one of the most beautiful technicolor productions to be screened here in many moons.

The picture is "Night in Paradise", starring Merle Oberon and Turhan Bey, and featuring, among the topnotchers, Thomas Gomez, Gale Sondergaard, Ray Collins, Earnest Truex, George Dolenz and Jerome Cowan.

The story is laid in the year 550 B. C., and unrolls the tale of King Croesus of ancient Greece, his love affair with a Persian Princess and her elopement with Aesop, the man who originated fables.

In lavishness the picture is reminiscent of those early days of motion picture spectacles when such pictures as "Intolerance" and "Ben Hur" were brought to the screen. That was back in the 1920's when pictures were produced in no other medium than "black and white."

In this picture the Lydian palace setting, dreamed up by Walter Wagner, and in gorgeous technicolor, is really breath-taking in its grandeur and beauty.

The casting of this picture shows a master's hand, and the several dramatic climaxes reached in this picture have the mark of the work of a showman in their presenta-

tion. The story, musical settings, direction and depiction of difficult characters is your assurance that you are going to witness a screen classic when you see "Night in Paradise."

The management has announced that starting September 29th., the time changes over the United States, and conforming to this change the show will start at the Prince Theatre - Saturday-Sunday at 3:00 P. M. and mid-week at 7:00 P. M. Eastern Standard Time.

See you at the movies—Mal.

Mr. and Mrs. Ernest Maxwell of Pahokee announce the birth of a daughter, Mary Ernestine, at the Everglades Memorial Hospital on Sept. 21.

Charles A. Baker, son of Mr. and Mrs. William Baker of Canal Point, left Wednesday for Gainesville to enroll at the University of Florida for a three-year course in forestry.

There are five local veterans taking either postgraduate or regular courses at the Pahokee High School under the provisions in the GI Bill of Rights, according to Principal D. D. Caudill. The students are William Weathers, Billy DeLoach, David Thomas, Marion Ogle and Bob Sears.

Edwin Cowart, A.M.M. '2-c, was granted a 30-day leave when his ship, USS Boxer, CV21, tied up at San Francisco recently and is now in Pahokee visiting his parents, Mr. and Mrs. Reppard Cowart, and other relatives and friends.

Charles McQuaig, Jr., this week had the cast removed from his leg that was fractured in a recent motorcycle accident near Orlando. His father, Charles McQuaig, Sr., who as even more seriously injured in the same accident, was dismissed from the hospital this week and joined his family at the home in which they are now living in Orlando but will have to continue wearing his casts for some time yet.

Mrs. C. A. Gay and daughter, Allene, and Tom Clements visited Mr. and Mrs. J. C. Mock and other relatives here the past week.

Mrs. W. J. Belk has returned to Miami after a month's visit with her son and daughter-in-law, Mr. and Mrs. G. M. Belk, in Pahokee.

Judy Murphy celebrated her sixth birthday anniversary at a party given by her mother, Mrs. Ellis O. Murphy, at their home in Pahokee Monday afternoon. Those attending were Michael Wilson, Shirley Ann Kincaid, Jimmy Maxwell, Anita Cowart, Kay Mizell, Sonja Lee Harris, Sandra Rogers,

Linda and Marty Sellers, Reba Carlton and Sharon Geiger.

Mr. and Mrs. D. W. Cunningham have as their guest this week Mrs. H. B. Pitts, Moncks Corner, S. C.

Mr. and Mrs. E. E. Bishop and family, West Palm Beach, visited her father, Frank Friend, and other relatives in Pahokee the past week.

J. Rodolph Faulk arrived this week from Mountain City, Tenn., where he has been employed through the summer, to join his family in Pahokee.

Mrs. Charles Kennen and daughter Edna Mack Murphy visited their parents, Mr. and Mrs. E. O. Murphy, in Miami over the week-end.

NOTES REDUCED

TAMPA — The Seaboard Railway, Atlantic Coast Line and Florida East Coast Railway have agreed voluntarily to reduce rates on canned goods moving in intra-State traffic from various Florida canning points into Tampa and Port Tampa, W. W. Balkcom, manager of the Tampa Traffic Association, has announced. The reduction, to become effective within 30 days, averages three cents per 100 pounds and has the approval of the State Railroad Commission, Balkcom said.
